The Ten Commandments of Defensive Lawyering is a crash course on keeping out of trouble. Ethics defense attorney Marc Garfinkle will walk you through the most common pitfalls of practicing law and offer easy rules and practical advice for avoiding malpractice claims and disciplinary action. This program is designed for solo and small firm practices, but most of the lessons pertain to every attorney.

In two quick hours, you will learn how to identify and avoid most of the ways attorneys get sued or disciplined. Fast-paced and humorous, the program is a whirlwind of warnings, insights and practical advice that will help you improve your office protocols, enhance your reputation and sleep better when you get a disgruntled client or a Notice of Random Audit.
